COMMUNITY SCHOOL

ACTIVITY DAY

2026

TUESDAY 21st JULY

ACTIVITY DAY IS BACK!

Activity Day is back and bigger than ever before! This year we are aiming to build on the success of last year by running a range of exciting trips and activities to cater to everyone's taste, both in school and out of school.

Please see the following pages for the specific trips / activities on offer for each year group, and please take note of the transport method and cost for each activity. If you require support with transport to and from local trips that require parent pick-up/drop-off then please contact the school or speak to Mr Smith. Specific timings for each activity will be shared at a later date. Please note that all trip details and costs may be subject to change.

These trips will be going LIVE on ParentPay at 3pm on Friday 1st May 2026, so please make note of this date / time as most trips and activities have limited spaces and therefore may quickly sell out.

As a result we kindly urge you to book your child onto these trips as soon as possible when ParentPay opens to avoid disappointment of trips becoming full.

Students who have achieved Silver Award will be given 24 hours early access to book activities on ParentPay, whilst any students that have achieved Gold Award or above will be granted 48 hours early access! For more information of the rewards system please see the final page of this booklet.

YEARS 7-10 - IN SCHOOL

(Please note that all trip details and costs are subject to change)

REWARDS = ACTIVITY DAY PRIZES!

At Willingdon School, we want reward points to add up to something more meaningful. Therefore reward points accumulated over the academic year will give students the opportunity to win discounted or free activities on Activity Day! Meaning that reward points gained in school could lead to lifelong memories outside of the classroom.

The model for each Year Group (Y7-10) is as follows:

<u>REWARD POINT</u>	<u>PRIZE</u>
Top 5 Highest Achievement Points in the year	1 Free Activity Each
Highest 'Ambition' Points	1 Free Activity
Highest 'Oracy' Points	1 Free Activity
3 x Students with Platinum - Gold Award	Raffle for 1 Free Activity
Head of Year Award	Raffle for 2 x 50% Discounted Activity
Students with Silver Award	Raffle for 2 x 50% Discounted Activity
Students with Bronze Award	Raffle for 1 x 50% Discounted Activity

All trips will go LIVE on ParentPay on Friday 1st May, whereby any student who have reached Silver Award will be given **24 hours early access** to book on any of the trips, whilst any student who has reached Gold Award or above by Friday 24th April will be granted 48 hours early access!

Students will then be given until mid-May to accumulate further reward points to be in with a chance to win any of the prizes listed above. If a student has already paid for a trip and then later wins a discounted or free trip during the rewards assemblies, they will be reimbursed.
