

Activity Day 2026 – Merlin & Membership Pass Information

Dear Parents/Carers,

We would like to provide clarification regarding the use of Merlin and other membership passes for Activity Day 2026.

Students who hold a valid Merlin Pass and wish to attend the Brighton Sea Life, Chessington, or Thorpe Park trips will only be required to pay the first instalment via ParentPay. This initial payment covers travels costs other trip fees.

To use a Merlin Pass, students must:

- Enter their Merlin Pass code on ParentPay when prompted
- Bring their valid Merlin Pass with them on the day of the trip

For students wishing to attend the Drusillas or Knockhatch trips, those who already hold a valid membership pass will also only need to pay the first instalment (to cover ParentPay fees).

These students must:

- Enter their membership code on ParentPay
- Bring their valid membership pass with them on the day of the trip

Please note that failure to provide a valid pass on the day may result in additional charges or the inability to access the venue.

If you have any questions, please do not hesitate to get in touch.

Kind regards,

Mr Smith

Associate Assistant Headteacher
