We are Willingdon

We are a united, vibrant community which demonstrates personal excellence in all that we do. Learning at Willingdon transforms lives by igniting curiosity and expecting the very best from staff and students alike. We value opportunities, aiming for success today to prepare for challenges and opportunities tomorrow. We are respectful, honest and courteous to empower each other on our unique learning journeys. We look after ourselves and each other, and show empathy, respect and compassion to all people and our environment along the way. We encourage tolerance, resilience and reflection, which in turn allows everyone to make progress every lesson. We work together as a harmonious community to be the very best versions of ourselves.

This makes us Willingdon

Ethos

At Willingdon Community School, we aim to develop, in all our students, key values which we consider contribute to the achievement of what we refer to as, Personal Excellence.

Ambition

To strive to do your best on all occasions. Take on new challenges and challenge yourself to reach the highest possible standards and be personally successful.

Respect

To respect and value all members of our community, recognising and celebrating our differences. Respect ourselves, valuing what we can each bring to our community.

Compassion

Understand the needs of others and support those who sometimes need our help. Contribute to charitable work which supports those less well-off in the world.

Courtesy

Be well mannered in all situations, displaying the basic courtesies that we all value. Greet those you work with regularly; be particularly welcoming and polite to visitors and show appreciation for those who support and work closely with you.

Honesty

Always be honest, even when it may appear difficult. Be honest to yourself - know your strengths and your weaknesses.

3) Links to legislation

5) Definition of bullying

Bullying is “behaviour by an individual or a group, repeated over time that intentionally hurts another individual either physically or emotionally”. (DfE “Preventing and Tackling Bullying”, July 2017)

Bullying can include: name calling, taunting, mocking, making offensive comments; kicking; hitting; taking belongings; producing offensive graffiti; gossiping; excluding people from groups and spreading hurtful and untruthful rumours.

This includes the same unacceptable behaviours expressed online, sometimes called online or cyberbullying. This can include: sending offensive, upsetting and inappropriate messages by phone, text, instant messenger, through gaming, websites, social media sites and apps, and sending offensive or degrading photos or videos.

8) School ethos

Willington Community School recognises that bullying, especially if left unaddressed, can have a devastating effect on individuals; it can create a barrier to learning and have serious consequences for mental wellbeing. By effectively preventing and tackling bullying, our school can help to create a safe, disciplined environment, where students are able to learn and fulfil their potential.

Our Community:

- Monitors and reviews our anti-bullying policy and practice on a regular basis.
- Supports staff to promote positive relationships, to help prevent bullying.
- Recognises that some members of our community may be more vulnerable to bullying and its impact than others; being aware of this will help us to develop effective strategies to prevent bullying from happening and provide appropriate support, if required.
- Will intervene by identifying and tackling bullying behaviour appropriately and promptly.
- Ensures our students are aware that bullying concerns will be dealt with sensitively and effectively; that everyone should feel safe to learn and abide by the anti-bullying policy.
- Requires all members of the community to work with the school to uphold the anti-bullying policy. This includes encouraging and empowering students to call out bullying behaviour and discriminatory behaviour attitude.
- Use the curriculum wherever possible to challenge stereotypes and prejudices that may lead to bullying.
- Reports back to parents/carers regarding concerns on bullying, dealing promptly with complaints.
- Seeks to learn from good anti-bullying practice elsewhere.
- Utilises support from the Local Authority and other relevant organisations when appropriate.

9) Prevention of Bullying

Willington Community School is committed to preventing bullying before it occurs. This is done through:

- Ensuring students are aware of issues in relation to bullying. This awareness is developed through assemblies, anti-bullying week, RSHE and throughout the curriculum.
- Awareness and education through tutor time
- Discussion and consultation with student voice and school council
- Promotion of our values of 'Personal Excellence'
- The promotion of the British Values of tolerance and raising awareness of different cultures through our tutor time values activities, SMSC assembly programme and the RSHE curriculum.
- Break and lunch duty teams at key places in which student voice stated that they felt more vulnerable and where bullying could occur.
- Guide parents in how to generate open discussion around the topics of bullying and prejudice.

The whole school community will:

- Create and support an inclusive environment which promotes a culture of mutual respect, consideration and care for others, which will be upheld by all.
- Recognise that bullying can be perpetrated or experienced by any member of the community, including adults and children (child on child abuse).
- Openly discuss differences between people that could motivate bullying, such as: religion, ethnicity, disability, gender, sexuality or appearance related difference. Also children with different family situations, such as looked after children or those with caring responsibilities.
- Challenge practice and language which does not uphold the values of tolerance, non-discrimination and respect towards others.
- Be encouraged to use technology, especially mobile phones and social media positively and responsibly.

- Work with staff, the wider community and outside agencies to prevent and tackle concerns including all forms of prejudice-driven bullying.
- Actively create “safe spaces” for vulnerable children and young people.
- Safeguard the site through allocated dates that all areas are monitored and covered, to prevent hidden spaces and areas where bullying can go unnoticed.
- Celebrate success and achievements to promote and build a positive school ethos.

Policy and Support

The whole school community will:

- Provide a range of approaches for students, staff and parents/carers to access support and report concerns.
- Regularly update and evaluate our practice to take into account the developments of technology and provide up-to-date advice and education to all members of the community regarding positive online behaviour.
- Take appropriate, proportionate and reasonable action, in line with existing school policies, for any bullying brought to the school’s attention, which involves or affects students, even when they are not on school premises; for example, when using school transport or online, etc.
- Implement appropriate disciplinary sanctions; the consequences of bullying will reflect the seriousness of the incident, so that others see that bullying is unacceptable.
- Use a variety of techniques to resolve the issues between those who bully, and those who have been bullied.

Education and Training

The school community will:

- Train all staff, including: teaching staff, support staff (e.g. administration staff and site support staff) and pastoral staff, to identify all forms of bullying and take appropriate action, following the school’s policy and procedures (including recording and reporting incidents).
- Consider a range of opportunities and approaches for addressing bullying throughout the curriculum and other activities, such as: through displays, assemblies, child support, the school/student council, etc.
- Provide systematic opportunities to develop students’ social and emotional skills, including building their resilience and self-esteem.

- Make sure that key information about bullying (including policies and named points of contact) is available to parents/carers in a variety of formats.
- Ensure all parents/carers know who to contact if they are worried about bullying and where to access independent advice.
- Work with all parents/carers and the local community to address issues beyond the school gates that give rise to bullying.
- Ensure that parents work with the school to role model positive behaviour for students, both on and offline.
- Ensure all parents/carers know about our complaints procedure and how to use it effectively, to raise concerns in an appropriate manner.

The following steps may be taken when dealing with all incidents of bullying reported to the school:

- If bullying is suspected or reported, the incident will be dealt with immediately by the member of staff who has been approached or witnessed the concern.
- The school will provide appropriate support for the person being bullied – making sure they are not at risk of immediate harm and will involve them in any decision-making, as appropriate.
- The Head of Year, PSA or another member of leadership staff will interview all parties involved and statements will be taken and a record of the incident put on Arbor.
- The Designated Safeguarding Lead and safeguarding team will be informed of all bullying issues where there are safeguarding concerns through the My Concern reporting system.
- The school will inform other staff members, and parents/ carers, where appropriate.
- Sanctions (as identified within the school behaviour policy) and support for individuals will be implemented, in consultation with all parties concerned.
- If necessary, other agencies may be consulted or involved, such as: the police (if a criminal offence has been committed) or other local services including early help or children’s social care (if a child is felt to be at risk of significant harm).
- Where the bullying takes place off school site or outside of normal school hours (including cyberbullying), the school will ensure that the concern is fully investigated. Appropriate action will be taken, including providing support and implementing sanctions in school in accordance with the school’s behaviour policy.
- A clear and precise account of the incident will be recorded by the school in accordance with existing procedures. This will include recording appropriate details regarding decisions and action taken.

 - looking at use of the school systems;
 - identifying and interviewing possible witnesses;

- Providing appropriate education and support regarding their behaviour or actions.
- If online, requesting that content be removed and reporting accounts/content to service providers.
