Willingdon Community School Ethos

At Willingdon Community School, we aim to develop Personal Excellence in all our students. Personal Excellence comprises five key values and behaviours:

Ambition

To strive to do your best on all occasions. Take on new challenges and challenge yourself to reach the highest possible standards and be personally successful.

Respect

To respect and value all members of our community, recognising and celebrating our differences. Respect ourselves, valuing what we can each bring to our community.

Compassion

Understand the needs of others and support those who sometimes need our help. Contribute to charitable work which supports those less well-off in the world.

Courtesy

Be well mannered in all situations, displaying the basic courtesies that we all value. Greet those you work with regularly; be particularly welcoming and polite to visitors and show appreciation for those who support and work closely with you.

Honesty

Always be honest, even when it may appear difficult. Be honest to yourself - know your strengths and your weaknesses.

Principles

Regular school attendance is the most important factor in achievement at school and we are committed to helping every child achieve their full potential. Any absence from school disrupts a child's learning. Missing lessons damages a student's self-confidence and understanding. In addition, teachers who then have to slow down lessons to accommodate those who have missed previous sessions are not doing justice to the rest of the class who attended all the lessons.

We, at Willingdon Community School, regard regular attendance to be 96% or higher, this equates to 8 school days of absence over the academic year. Excellent attendance improves students' outcomes and allows each child to fulfil their potential. When students' attendance fall below this, valuable learning time is lost or interrupted.

Children should be at school, on time, every day the school is open, unless the reason for the absence is unavoidable. Permitting absence from school without a good reason is an offence by the parent.

Children are sometimes reluctant to attend school. Any problems with regular attendance are best sorted out between the school, the parents and the child. If a child is reluctant to attend, it is never better to cover up their absence or to give in to pressure to excuse them from attending. This gives the impression that attendance does not matter and may make things worse.

Every half-day absence has to be classified by the school, (not by the parents), as either AUTHORISED or UNAUTHORISED. This is why information about the cause of each absence is always required, preferably in writing.

Understanding Attendance

Present – The student is on the school site at the time of registration.

Approved Education Activity (AEA) – The student is engaged in an approved, supervised activity off site for example, an educational visit, sporting activity or work experience.

Authorised absence (C,M,I) – Authorised absences are mornings or afternoons away from school for a reason such as genuine illness or other unavoidable cause. This will include illness, medical appointments, bereavement or any other circumstances that the school deems appropriate. A request for medical evidence is made when a student falls below 90% attendance and is therefore classified as a Persistent Absentee or a student is off from school for 3 days or more in a week.

Excluded (E) – Suspended from school.

Unauthorised absences (O) are those which the school does not consider reasonable and for which no "leave" has been given. This includes:

- ❖ parents keeping children off school unnecessarily
- ❖ truancy
- ❖ absences which have never been properly explained

It is not appropriate for the school to authorise absences for shopping, looking after other children, day trips etc. Leave may however, be granted in an emergency (e.g. bereavement) or for medical appointments which must be in school time. Even though the latter is authorised, it will still be counted as an absence.

School refusal (O) – this is chronic non-attendance, usually where there are wider family, psychological or behavioural problems affecting the student's ability to attend school. The school will use interventions to support such situations but this can lead to local authority involvement in more serious cases. We can only accept consultant letters to make onward referrals to ISEND Teaching and Learning provision. GP letters are insufficient for such purposes.

Persistent Absenteeism

The Government threshold for Persistent Absenteeism is 90% or lower. This includes all absence, whether as a result of genuine illness or for unauthorised reasons. The names of those on this figure or below are taken directly from our database by County.

Willingdon Community School Policy regarding Holidays in Term Time

The DfE instructs schools to consider holidays in term time only in very exceptional circumstances. Almost all holidays taken during term time will be coded as unauthorised absences. There is no entitlement for parents to remove their child from school for a family holiday during term time, even in circumstances where the parents' employers refuse to grant holidays outside of the school term. The school is the only agency which can authorise such a holiday.

Parents who wish to claim exceptional circumstances as a reason for taking holidays in term time should be given the school's request form and return it to the Attendance Manager when possible at least 2 months before the holiday. A copy of our request form, together with a letter from the Headteacher explaining our policy, is available on the website.

Head of Year will:

The Governing Body will:

- Approve attendance policy.
- Receive reports from the Headteacher.

- Support the implementation of the policy.

Attendance Procedures

Notifying the School of a Child's Absence

- If a child is absent from school, parents are expected to notify the Attendance Manager in advance (if this is a planned absence) or contact the school by 8.30am on each day of absence using the absence line 01323 483144 with an explanation and reason for absence or via your EDULINK account.
You may also wish to email studentabsence@willingdonschool.org.uk

If no such communication is received, the Attendance Manager will contact parents by phone or text to inform them that their child is absent from school and request the reason.

If the school does not receive an explanation for absence on the first day, an email of enquiry will be sent home. The absence will be unauthorised if no reason given.

The same procedure will be followed on each day of a child's absence and not just on the first day of absence, even if a valid reason is given. This is a precaution in case a child truants after having had an authorised absence for illness.

Parents are expected to contact school at an early stage and to work with the staff in resolving any problems together. If difficulties cannot be sorted out in this way, the school may refer the child to the Education Support, Behaviour & Attendance Service (ESBAS) and Educational Welfare Officer (EWO). The Practitioner will also try to resolve the situation by agreement but, if other ways of trying to improve the child's attendance have failed, these Officers can use Legal Interventions on parents or to seek an Education Supervision Order on the child. The maximum penalty on conviction is a fine of £2500 and/or 3 months imprisonment.

The school will have the following rigorous and robust systems to ensure high levels of attendance:

- Daily monitoring of student absence with parent/carer by phone or email where we have not been informed of the absence;
- Daily monitoring of punctuality and lateness to school/lessons with follow up sanctions applied and parents notified on the day.
- Weekly monitoring and tracking of attendance to identify trends and initiate interventions to promote excellent attendance.

Punctuality

Late arrival at school is recorded by the pastoral team for all students regardless of the reason. Parents have a legal obligation to ensure their child arrives for an 8:30am start to Lesson 1 and the registration period will close at 9am. Students arriving between 8:30am and 9am will be coded as Late (L). Any arrivals after this time will be unauthorised and coded as such (U), unless there is medical evidence or special circumstances to which the school have been notified (i.e. half a day).

If a student arrives at school after 8:30am, parents will be notified using our email/text or Edulink. They will receive a standard notification that their child has arrived late. They will also receive a same day break sanction and this will be logged on our behaviour management system. Continued issues with punctuality will accelerate the sanction and lead to a meeting with parents and the pastoral team leader. Late arrival can be authorised in cases of delay in the arrival of school transport or known appointments. The school reserves the right to adjust morning registration time for individuals, after discussion with ESBAS. Parents will be notified in writing in such cases.

Students arriving between 8:30-9am must enter through the late gate. Students arriving after 9am must enter via the Student Support entrance and ensure they have signed in to ensure we have an accurate record of students on site at all times. Head of Year apply sanctions for lateness.

Medical appointment during the school day

Students who need to leave during the school day - parents must notify the Attendance Manager prior to appointment, Students must sign out at student support, parents will be contacted if the Attendance Manager is unaware of the appointment. We would encourage all appointments to be made out of school hours to avoid the negative impact this has on your child's learning. If this is unavoidable we urge parents to refrain from using whole day unless absolutely necessary.

Tracking and Monitoring Attendance

The pastoral team meet regularly with the Assistant Headteacher responsible for attendance and Attendance Manager to discuss attendance and punctuality. Head of Year track the attendance of all students within their cohort and use the school's Attendance Protocol to ensure consistency between all students. The protocol is built around early intervention and constant communication with parents, in order to maximise and maintain excellent attendance.

Child Missing from Education (CME)

If a child leaves school and is not enrolled at another school within the required period, a CME notification is made. This notification may be made at an earlier point if there are Safeguarding concerns.

Rewards and Incentives

Excellent and regular attendance is acknowledged by the school in Tutor, assemblies and through our school rewards system. Students will receive recognition for achieving excellent attendance (above 95%) each term. Head of Year may also use school events and activity trips to incentivise attendance.

Those people responsible for attendance matters in this school are:

Emily May - Headteacher
Nadene Townsend-Smith - Deputy Headteacher
Diane James - Attendance Manager
Head of Year and Pastoral Support Leader

Summary

The school has a legal duty to inform parents of their child's absence figures through our reporting system and to promote attendance. Equally, parents have a duty to make sure that their children attend. School staff are committed to working with parents as the best way to ensure as high a level of attendance as possible.

Punctuality	
Students late due to buses. Teachers will need to mark as present when they arrive to lesson 1. Teachers will need to unlock their register and amend the mark to present not late. I would advise teachers in advance to take a list of those in their class that do take the bus as we do not have this information anymore due to bus passes no longer being issued.	Teacher to sign students in
Late to lesson 1 but not on late gate. Teachers will need to email/contact the parent and teacher to carry out a sanction (10 minutes at break/lunch), keeping the HoY informed (email) that this has taken place. This is the same as a late to lesson and should be treated as such as mostly, parents have ensured they have got on site by 8:30am. Continued lateness should result in an after school detention being issued and carried out by the teacher/HoY team. HoY to monitor.	Log on Edulink Behaviour point issued Teachers
<p>Late gate. Students late after 8:30am will be identified on the late gate, the list will be handed to Student Support and at 9am they will forward any amendments. They will need to ensure these late marks are amended to show they are late (L), but in doing this they will at least know that they have arrived to school before making the calls home to parents for absences. Student Support use the email or Edulink to inform them on the day this happens. This will be sanctioned by the HoY as a break detention. Student Support will need to provide an audit on lates on a Friday. Repeated lates should be transferred to an after school detention if it's more than 3 in one week for 1 hour and tutors make a welfare call home.</p> <p>Repeated late issues should then be addressed by the Pastoral Team and contact made with parent and a telephone or meeting held to address.</p>	Communication with Attendance Manager PSL/HoY Student Support Tutors
<p><u>Late after Close of registration</u></p> <p>Parents will be informed via email/ Edulink by Student Support. If poor punctuality persists, parents are called for a meeting with Pastoral Team and could be liable for a fixed penalty notice issued by Attendance Manager/ EWO. For students arriving after 9am, they will receive a U code unless they have medical evidence to support they had a medical appointment in which case they will have an M code. Student Support will deal with students signing in and out after 9am.</p>	Attendance Manager PSL/HoY Student Support
