19th September 2025

Dear Parents, Carers and Students,

We're incredibly proud of how all year groups have started the new academic year. Years 7, 8 and 9 have transitioned into their new year groups with maturity and positivity. Their resilience and commitment to doing their personal best is something we deeply admire. Our GCSE students have made a strong start to their courses, and our Year 11 students are already demonstrating the drive and ambition needed for success.

We would also like to extend a heartfelt thank you to all parents and carers who attended the Meet the Coach evening. It was a fantastic and well-attended event, and we are truly grateful to you for giving up your time to support your children.

If you were unable to attend, please don't hesitate to contact your child's Head of Year or coach directly, who will be happy to share the key messages from the evening.

A reminder about safe parking along Broad Road: some areas have been identified as dangerous, and we ask all parents and carers to park responsibly to ensure the safety of all students, staff, and the wider community.

We're aware of a couple of issues on the school buses recently. Please encourage your child to report any concerns, either through you or directly. You can also use our dedicated email address: talktous@willingdonschool.org.uk. We take incidents of anti-social behaviour very seriously and will not hesitate to issue warnings or bans from Stagecoach if required.

Next Friday sees our exciting Sponsored Walk event. This is a key fundraiser to help us pay for our much-needed canopy, which will provide covered outdoor space for students in all weather. We really appreciate your support in helping your child gather sponsorship, it makes a genuine difference to our school environment and student experience.

This week we were also pleased to welcome James McCleary MP to Willingdon. He is keen to build a positive relationship with the school and has already committed to supporting various initiatives, including leading student voice work on the safe use of social media. We look forward to working with him more in the future.

On a wider note, I had the privilege of being appointed Chair of the Area Group for Eastbourne, Seaford and Hailsham, representing schools across the region for the next two years. As a collective, we aim to work collaboratively for the benefit of all children in East Sussex. Our focus will include sharing good practice across schools, supporting disadvantaged students and those with SEND, and ensuring the highest quality CPD for teachers and leaders, so we retain the very best professionals in our schools.

Back in school, we've had a fantastic week of Green Learning Walks, celebrating excellent teaching and the achievements of whole classes.

Thank you once again for your continued support, and we wish everyone a lovely weekend.

Headteacher

NEW STAFF INTRODUCTIONS

Mr Koster - Modern Foreign Languages Teacher - My name is Mr Koster and I joined Willingdon Community School last June. I moved to East Sussex in August 2025 and love living so close to the sea. I grew up in North London and moved to Leicester to study Spanish and Latin American Studies at university. After living in Mexico and other parts of Latin America, I began training as a teacher in the East Sussex area. I also speak French and Dutch, and teach English and French at Willingdon. My interests also include climbing, swimming, music, watching football and video games. I have also recently started learning how to juggle. I have previously worked as a translator. I became a teacher to share my love of languages. My email address is rkoster@willingdonschool.org.uk

Miss Turner - Pastoral Support Leader—Year 8 - Hello! my name is Miss Turner, and I joined Willingdon in July 2025. I'm very proud to be a former Willingdon student myself, and after working here during my gap year, I went on to study Forensic Psychology at Bath Spa University. I'm absolutely delighted to be back at Willingdon, this time stepping into the role of Pastoral Support Leader for Year 8. Supporting our students' wellbeing and helping them thrive is something I'm really passionate about, and I'm excited to get to know each of them this year. Outside of school, I love to travel and experience new cultures – my favourite place I've visited so far is Japan! I'm also a keen netball player and make sure to fit in as many games as I can each week. I'm really looking forward to working closely with our Year 8 students and their families to make this a happy and successful year for everyone.

Artist of the Month

Each month, the Art Department will recognise one outstanding student from Years 7, 8, or 9.

We are looking for students who demonstrate the school's values and:

- Show personal growth and dedication
- Create an impressive piece of artwork

The chosen student will receive a certificate and a £5 gift voucher as a celebration of their achievement.

We are excited to launch *Artist of the Month* this term, with our very first winner announced at the end of September!

REMINDER

Dear Parents/Carers,

SPONSORED WALK – Friday, 26th September 2025

Students in Years 7 – 11 are given the opportunity to revitalise their mental and physical health by walking 10 miles on the South Downs. As in previous years, this event takes place early on in the school year so there is a reasonable chance of good weather and all students can take part. The walk will be supervised from the front, back and middle by the Head of Year, the coaches and other teaching and support staff.

As a school, we intend to use the money raised by the walkers as our major fund-raiser for the year, to improve the opportunities and environment for the students. There are also several projects for the benefit of all students that need financial support, including the installation of an outdoor canopy for breaktimes and outside activities which was a high priority from student voice feedback last year. We therefore hope that parents and carers will wish to support this specific fund-raising exercise and encourage our youngsters to find the necessary sponsorship. Virtually the whole school participated in our last sponsored walk in 2024, and we want this again this year. Were every student to raise £20 this year, then we would exceed our £10,000 target. Every little helps.

As we did last year - we are asking students to 'enter' the walk. The way they do this, is by returning the Google form here – [Sponsored Walk Permissions Form](#), along with a voluntary £10 entrance (sponsorship) fee paid on ParentPay (this basically equates to £1 for each mile walked). If students wish to raise more, they can donate through ParentPay as an additional contribution. Where there are multiple siblings, we have a voluntary £15 family entrance fee. We do not want the issue over an entrance fee to be a barrier to taking part, as our primary aim is to get the community enjoying this experience. If you are experiencing financial hardship, a sponsor form is available to raise these funds externally or speak to your child's Head of Year, and we will assist.

As usual, the 10-mile route follows public footpaths across the Downs and on the edge of Friston Forest, crossing the Wannock to Jevington road twice. The police have been consulted and are satisfied with the suitability of the route. At points where the road is crossed, and at other appropriate places, staff will be stationed to check the walkers as they pass and supervise their progress. Further detailed information is given to students in advance of the day of the walk. Students will walk in year groups with their coaching groups. Students are expected to walk in full PE kit, but with a 'splash' of their house colour added. This could be in the form of socks, ribbons, glitter etc. Coaching groups will be reminded which house they belong to and the colour assigned to them. For those not able to walk due to medical reasons, there will be community fund raising activities provided at school, these students will be fully supervised by staff. We really want everyone being a part of this community event.

All walkers are recommended to take a packed lunch to eat en-route. Packed lunches can be purchased from the canteen (free to those eligible for a free school meal and otherwise at the cost of £3.24 payable to the canteen) will be available from 8.30am onwards; **if wanted, please order in advance** on the attached Google form. In addition to this, the Friends of Willingdon will run a snack shop along the route selling drinks, fruit, crisps and sweet snacks (please provide cash for this as on-line payments do not work in the middle of the forest!). Furthermore, the Friends will be offering a BBQ at the end of the walk. All 'food' items for the BBQ must be pre-ordered and paid for using ParentPay. Students can choose from a burger, hot dog or a vegetarian version of the two. In addition, soft drinks will be sold directly at the BBQ. These will not be on ParentPay, so cash again would be needed. An ice cream van will be on the school site for ice creams to be purchased on return to school should students wish.

All students will leave the school in time to complete the walk and arrive back at school by 3pm. Students will be allowed to leave, with parent permission, if they complete the walk earlier.

All students need to report back to school and register before leaving school. If it is not possible or appropriate for your child to return home early on that day, please indicate on the above Google form. The school buses will depart at the usual time of 3.10pm.

We do hope you will want your child to take part in what has always been an enjoyable and rewarding experience. All students who would normally have attended school are expected to walk. If your child is unable to walk due to a medical reason, there are alternative options available. Any absences without a medical reason will be unauthorised. **NO STUDENT will be allowed to go on the walk unless we receive the completed Google form signed by either parent or carer.**

Yours sincerely,

Mrs Lesley Naylor

Dear Parents and Carers

The Friends of Willingdon Community School are offering parents the opportunity to purchase digital photos of their Year 11 child, (which were taken last term in house for Arbor purposes), at a low cost, with all donations going to the Friends.

Mindful of the economic climate we are all now experiencing, Willingdon made the decision to take the photos in-house. This means that that the digital images are still of high quality, but allows us to offer the digital photo to parents/carers in return for a small donation of £3.00.

You will be able to view the photo that has been taken when you log in to Arbor. We think that they are fabulous and hope you do too.

ParentPay is now open to purchase your digital image, this window will close on Friday 3rd October, and any images purchased will be delivered to parents, via email, from Tuesday 7th October onwards.

Dear Parents, Carers and Students

It's been a really positive week to celebrate across Year 11.

We've launched the intervention programme for our students, and it's been great to see so many taking up the opportunity to work with subject teachers and showing such a mature, focused approach to their GCSE studies.

On the sporting front, our Year 11 football team had a fantastic start to their season, winning their first Eastbourne Cup match on Tuesday evening against Turing School with a 4-3 victory! They now progress to the next round.

Looking ahead, there are a few things we'd like to highlight:

- Year 11 Exam Information Evening – Please see the attached letter for details. There will be two sittings, depending on whether your child is studying double or triple science. We really encourage you to attend if you can.
- Sponsored Walk – Friday – We're excited to see Year 11 students taking part, especially with the optional fancy dress element! Please do make sure costumes are suitable for a 10-mile walk and are appropriate. If you haven't already, please complete the Google form linked below to give permission.
- Interventions – A polite reminder that our intervention sessions are now running. The full timetable is attached for your reference.

The Year 11 Team

YEAR 11 PARENT INFORMATION EVENING

Dear Parent/Carer,

As part of our on-going provision to ensure that parents are kept fully informed about their children's education here at Willingdon throughout Year 11, I am writing to invite students and parents/carers to our Year 11 Exam Information Evening. This will be held on Wednesday, 24th September, in two sittings in the Main Hall. Please see the details below:

Students studying Double Science (Trilogy) from 5-5.45pm

Students studying Triple Science from 5.45-6.30pm

The reasoning behind the two sittings is to ensure that the information regarding the Science GCSEs is tailored to specific students.

We are confident that this evening will make a useful contribution towards helping achieve the best possible GCSE grades and to enable students to go on to the Further Education course of their choice. The Head of Departments for English/Maths/Science will be on hand to give advice and guidance around top tips for being successful in those subject areas. As well as this, we will share and discuss key dates and important information, linked to strategies for coping with some of the pressures that arise during Year 11.

We do hope that you will be able to join us on Wednesday 24th September. We actively encourage students to attend with their parents/carers as the advice given will benefit students, whilst empowering parents/carers on the best ways to be able to offer support. There is no need to sign up to the evening, we just ask that you are on time for the appropriate sitting, based on your child's Science studies. Following the talks, there will be an opportunity to talk to staff at the end and ask any necessary questions.

Should you have any questions or queries regarding the evening, please do get in touch with the Pastoral Team on Pastoral-11@willingdonschool.org.uk

Yours sincerely,

Tom Cain

Head of Year 11

Dear Parents, Carers and Students

We have had another successful week at school, with Year 10 continuing to demonstrate real ambition in their learning in lessons. During lesson walk-throughs, it has been really encouraging to see students fully engaged and eager to develop their knowledge and understanding in all of their subjects.

To ensure their learning time is maximised, please remind your child of the importance of punctuality to lessons, so that no valuable learning time is lost during this crucial stage of their education in Key Stage 4.

We hope you found our *Meet the Coach* evening on Thursday 18th September was valuable in providing an opportunity to discuss your child's progress and their start to Year 10. If you were unable to attend, please contact your child's coach directly to arrange a convenient time for this conversation. Their contact email addresses are listed below.

In addition, please ensure that you have completed and returned the following forms, which have been emailed to you:

1. **Sponsored Walk Permission Form** (for the walk taking place on Friday 16th September)
2. **Home School Agreement Form**

Well done to 182 of our Year 10 students that have 100% attendance at school this week which is brilliant!

Well done to 164 of our Year 10 students that have '0' behaviour points logged this week!

Thank you for your continued support.

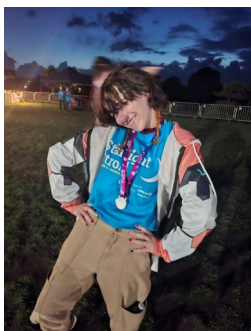

The Year 10 Team

Year 10 into the 2nd round of the National Cup

Well done to the Year 10 football team who have progressed to the 2nd round of the National Cup. The team played Buckswood on Tuesday 16th September at The Oval Arena. The team played very well, they dominated possession for the whole game. The team won the fixture 3-1 and progress into the 2nd round where they will play Ark Alexandra School from Hastings.

Starlight Stroll for St Wilfrid's Hospice

Congratulations to Wil Hall in Year 10, who completed the St Wilfrid's Starlight Stroll on Saturday 13th September – a walk to remember and to raise funds for St Wilfrid's Hospice. Well done Wil!

Y10 Homework: Sparx Reader

Year 10 students were set Sparx Reader tasks on Edulink alongside their Year 10 English homework at the beginning of this term. This homework is non-compulsory **unless your teacher has let you know that they expect you to complete it**. Sparx Reader it provides an excellent way for students to continue to develop their reading. The Department for Education's study on reading for pleasure shows a clear connection between reading for pleasure and good outcomes at GCSE and beyond. https://assets.publishing.service.gov.uk/media/5a7c18d540f0b61a825d66e9/reading_for_pleasure.pdf

The GCSE text Year 10 students are currently studying in class, 'Romeo & Juliet', is on Sparx Reader. Students may choose to use this to consolidate their learning of our text in class. <https://reader.sparx-learning.com/>

Year 9

Dear Parents and Carers,

Year 9 continue with their positive return to school. Attendance has dipped a little but we are working with students to address this and appreciate the support we receive from parents and carers in re-enforcing the importance of good attendance. Congratulations to 9RCR who received this week's attendance treat for an impressive 99% attendance!

We also took the time to congratulate those students who have made an outstanding start to the term with 'Treats with the Team'.

We would also like to congratulate Aaryan for his performance over the summer holiday as Gavroche in Les Mis performed at the Theatre Royal, Brighton. This ambitious student undertakes extra-curricular activities 6 days a week in pursuit of his dream! We love to hear what students are doing outside of school, so please do drop us an email or pictures to let us know what your child is doing.

We are delighted to share some exciting news from this week! Our Year 9 students had the pleasure of meeting local radio presenter Jack the Lad, who came in to launch the 'Dare to Dream' programme with us. Jack's visit was a fantastic opportunity for the students to hear first-hand about resilience, confidence, and the importance of setting positive goals for the future. His energy and down-to-earth approach really inspired the year group, and the students thoroughly enjoyed the session. We are thrilled that Jack will be working closely with us over the next few terms as part of this programme. It promises to be an enriching journey for Year 9, and we look forward to seeing how the students grow and develop through this experience.

Uniform standards are generally being met, but we would ask parents to be aware of the requirements regarding jewellery.

I would like to draw your attention to an important upcoming date:

Annual Sponsored Walk – Friday 26th September. Our traditional walk across the South Downs is always a highlight of the year, giving students the chance to take part in a memorable and enjoyable day out. Please ensure that your child's permission form has been completed.

Kind regards,

Year 8

Dear Parents, Carers and Students

As we approach our third week back, I would like to extend my sincere thanks to you and to our Year 8 students for making the first two weeks such a positive start to the school year. Attendance has been consistently above 96%, which is very pleasing to see, and the excellent standards from last year are clearly continuing. Behaviour, as expected, has been excellent, and uniform standards have improved further this week.

Last night (18th September), we held our Meet the Coach evening. It was wonderful to see so many parents and students attending. The event provided coaches with the opportunity to connect with families, celebrate positives, and highlight areas for further growth. The feedback we received was overwhelmingly positive, and it was a very worthwhile evening.

Looking ahead, next Friday (26th September) is our Annual Sponsored Walk. A reminder that we still require parental consent for some students. Please click on the link provided to give permission for your child to take part. Without permission, students will be expected to remain in school in full uniform. Those taking part in the walk should wear their PE kit for health and safety reasons, as it ensures that staff can easily identify our students.

I have also attached here the Parent Charter [Parent Charter Agreement 2025](#) . Please ensure you have completed and signed this electronically. We've simplified the process to make it quick and easy. Paper copies have also been sent home for those who prefer to sign by hand.

This week's Year 8 Treats with the Team went to:

- A C 8ALE
- H W 8ALE
- N F 8NWE
- D T 8RHA

These students achieved the highest number of achievement points in the year group, an excellent accomplishment.

During my learning walks this week, I was delighted to see students engaged and working hard in lessons. As we move forward, I'm excited to put more rewards and activities in place. These will include our annual Christmas Baking Challenge, tutor group Mastermind quizzes, and a variety of sporting activities.

Thank you once again for your continued support. I'm looking forward to another positive week ahead.

Wishing you a restful weekend.

Kind regards,

The Year 8 Team

Year 7

Congratulations to S B in 7SPA who outside of school has been getting involved in raising money for charity. She has completed the starlight walk last weekend and also recently taken part in a rainbow run for St Wilfrid's hospice. Well done Sofia – Great effort!!

We really love to hear about our year 7s achievements out of school. Please do share with us anything your child has been involved in.

REMINDER

Careers Education: Year 7

At Willingdon, we recognise the importance of Careers Education, Information, Advice, and Guidance (CEIAG) in raising aspirations and helping our young people prepare for their future career pathways.

To support this, we will be sending a Future Skills Questionnaire to all Year 7 students via their school email address. The link will come from email address: donotreplyfsq@careersandenterprise.co.uk so please ask your child to check their emails.

Please see the following video for more information about the questionnaire: <https://youtu.be/-SvEafYm02g>

The questionnaire is designed to help guide students as they consider their next steps and provides data that allows us to make targeted interventions, evaluate our careers programme and identify the impact of careers education at Willingdon Community School.

Please complete this by Friday, 26th September.

Kind regards,

Mrs Borrell
Careers Leader

NATURAL HISTORY MUSEUM / LONDON EYE

Dear Parents/ Carers,

Thank you for all your interest in the trip to London.

The spaces on the two coaches that we have booked are full and the trip is no longer showing on ParentPay.

Students will be given the coach lists on Monday and the confirmation letter then sent to parents/ carers with reminder of the details.

If there are any other students that wish to go onto the reserve list, please email their names to collins@willingdonschool.org.uk by Monday 22nd September.
