WHAT IS OPEN DOORS?

Open Doors is a project run by the Careers Hub that provides young people in East Sussex with meaningful experiences of the local workplaces.

Students go on short tours of a workplace hosted by a local business or organisation where they interact with employees and learn about careers pathways and employability skills.

Open Doors is a fantastic CPD opportunity for teachers to learn how local industries and careers connect to their subject and can be incorporated into the curriculum.

HOW DO I BOOK AN OPEN DOORS VISIT?

Step #1: Find an Open Doors visit that suits your students

Step #2: Plan a date you would like to book a visit for

Step #3: Contact the Careers Hub to book your visit

Step #4: Confirm your visit with the Careers Hub

You can contact the Careers Hub to book your Open Doors visit by emailing **OpenDoors@eastsussex.gov.uk**
