

POST-RESULTS SERVICES: OVERVIEW

Reviews of Results services

Service 1 (Clerical re-check)

This service will include the following checks:

- that all parts of the script have been marked
- the totalling of marks
- the recording of marks

The outcome of the clerical re-check will be reported along with a statement of the total marks awarded for each unit, or component, included in the enquiry.

Service 2 (Review of marking)

This is a post-results review of the original marking to ensure that the mark scheme has been applied correctly... Reviewers **will not** re-mark the script. They will only act to correct any errors identified in the original marking...

This service will include:

- the clerical re-checks detailed in Service 1
- a review of marking as described above

Service 3 (Review of moderation)

This is a review of the original moderation to ensure that the assessment criteria have been fairly, reliably and consistently applied. It **is not** a re-moderation of candidates' work... if your centre's internally assessed marks (coursework or non-examination assessment) have been accepted without change by an awarding body, this service will not be available. The review of moderation will be undertaken on the original sample of candidates' work. A review of moderation **cannot** be undertaken upon the work of an individual candidate or the work of candidates not in the original sample.

Access to Scripts service

Centres may request copies of scripts to support:

- reviews of marking, and/or
- teaching and learning...

Information on deadlines for Access to Scripts will be found on awarding bodies' websites. Centres should be aware that reviews of marking will not be available after 24 September 2026 regardless of when the script was accessed...

Prior written permission must be obtained from any candidate where the centre intends to request their script(s).

This permission **must only** be sought after the candidates have received their results for the respective examination series. Candidates who grant their permission have the right to anonymity of their scripts before use... Scripts **must only** be seen by teachers who are members of staff at that centre, or within a consortium of centres, or returned directly to candidates.
