**Join our 5-day virtual work experience
to empower you to reach your potential!**

10th to 14th July 2023

Haven't found work experience yet?

Looking for great all-round life skills?

Curious about building a business?

Got the spark of an idea that you're
itching to turn into a future career?

**If you're aged 14-19 our 'Be Your
Own Boss' UK-wide online event
is the perfect place to start.**

Over half of young people in the UK have
thought about starting a business. But 70%
believe 'not knowing where to start' is a barrier
to them following through with their ideas.*

This opportunity is set to change that.

Covering everything you need to bring start-up
ideas to life, you'll even have the chance to
pitch your business plan and get expert advice.

Every day, you will join leading professionals
and take part in interactive workshops on
financial management, marketing, sales and
customer service, communication and negotiation,
leadership, project management and planning,
delegation and time management, as well as
problem-solving and networking.
