

# Student Equipment 2024

Dear parents and carers

Please see below the items that we advise your child to have in their pencil case. It is really important that students have the correct equipment for lessons to enable them to get down to work quickly and have everything required to complete work to a high standard.

The items listed are here are only recommended and while not compulsory, will be extremely useful in helping students manage day to day in school. Calculators can be purchased from school. Please do not hesitate to contact us via talktous if you have any queries.
