1. Login

Access to aspire is via the Internet, the web address is:

<https://aspire.eastsussex-brighton.org.uk/wexpupilchoiceslogin.aspx?aspirenetview=student>

Once the address is typed in you will be presented with the following log in screen.

To be able to log in two pieces of information are required;

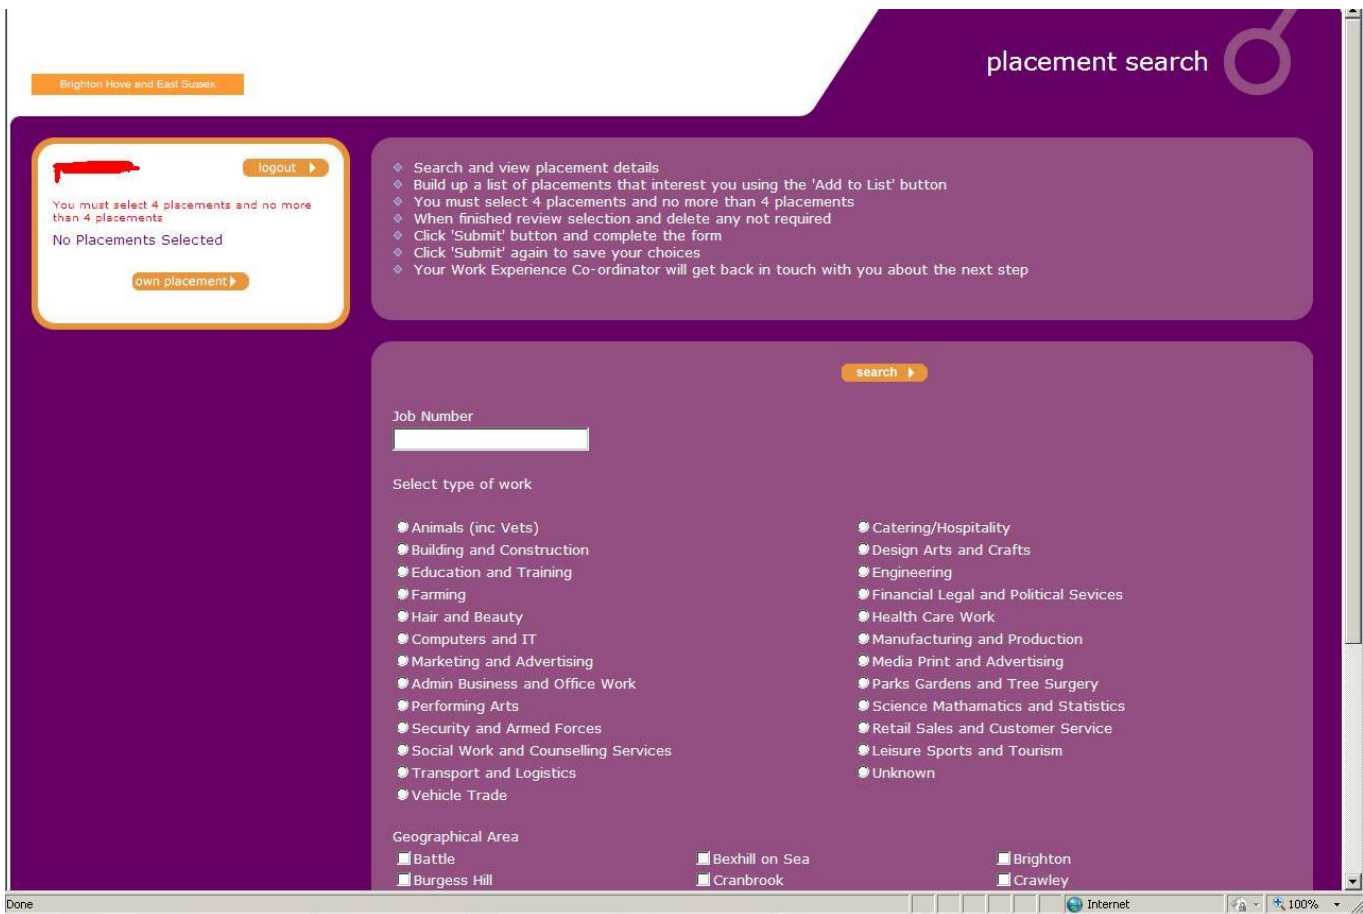

User ID and Password - These will be provided by your Work Experience Co-ordinator within school.

Click on continue to proceed

NB: Your school work experience co-ordinator sets up the system as to how they want to manage it, this means some sections of this manual may not apply.

2. Choosing placements

The following screen will then appear:

- Read through the instructions at the top of the page which are indicated by the bullet points.
- You can now search for opportunities related to areas of work, or by job number if your work experience co-ordinator has already shown you the opportunities and you know the ones you want to choose.

1. If searching by job number, enter the number in the job number field and click continue

- If choosing by 'type of work' select the area of work (only one can be selected at a time) and then the geographical areas you would like the placement to be based in (more than one area can be selected at a time).

- Click on the employer name/placement title coloured in the purple text to open up the job description for the placement.

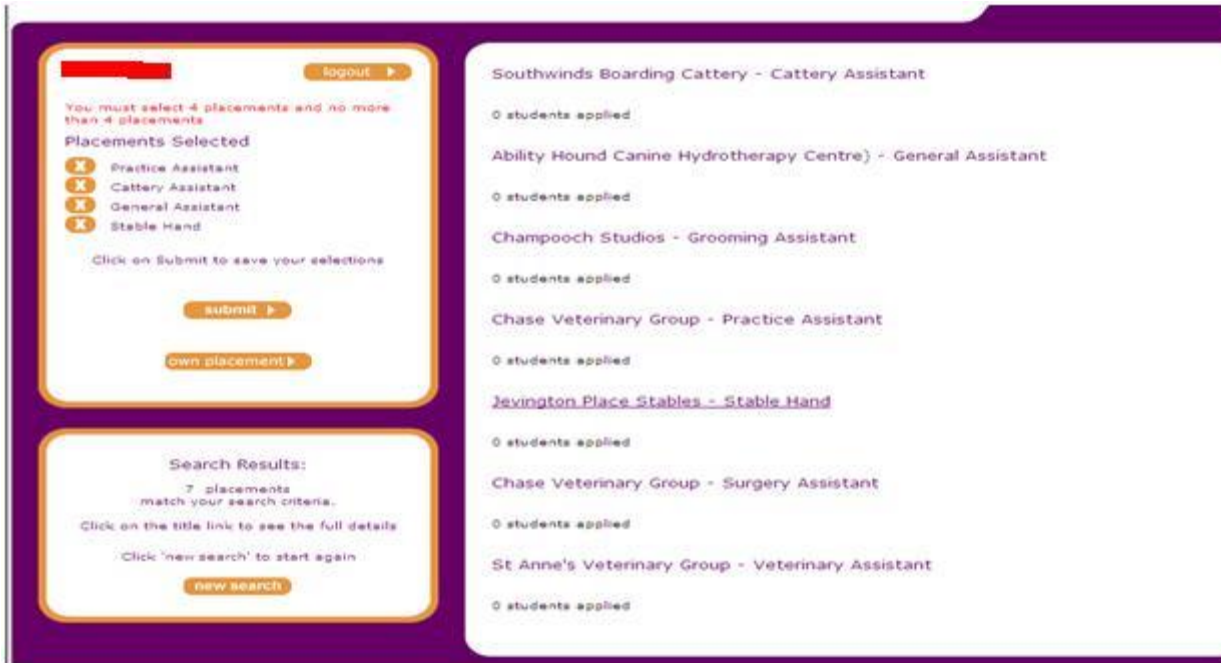

- This gives you details of the placement so you can make a decision as to whether or not you want this to be one of your choices. At the bottom of the information you can also see how many other students have chosen this as a choice too.

You then click on the relevant button depending on your choice:

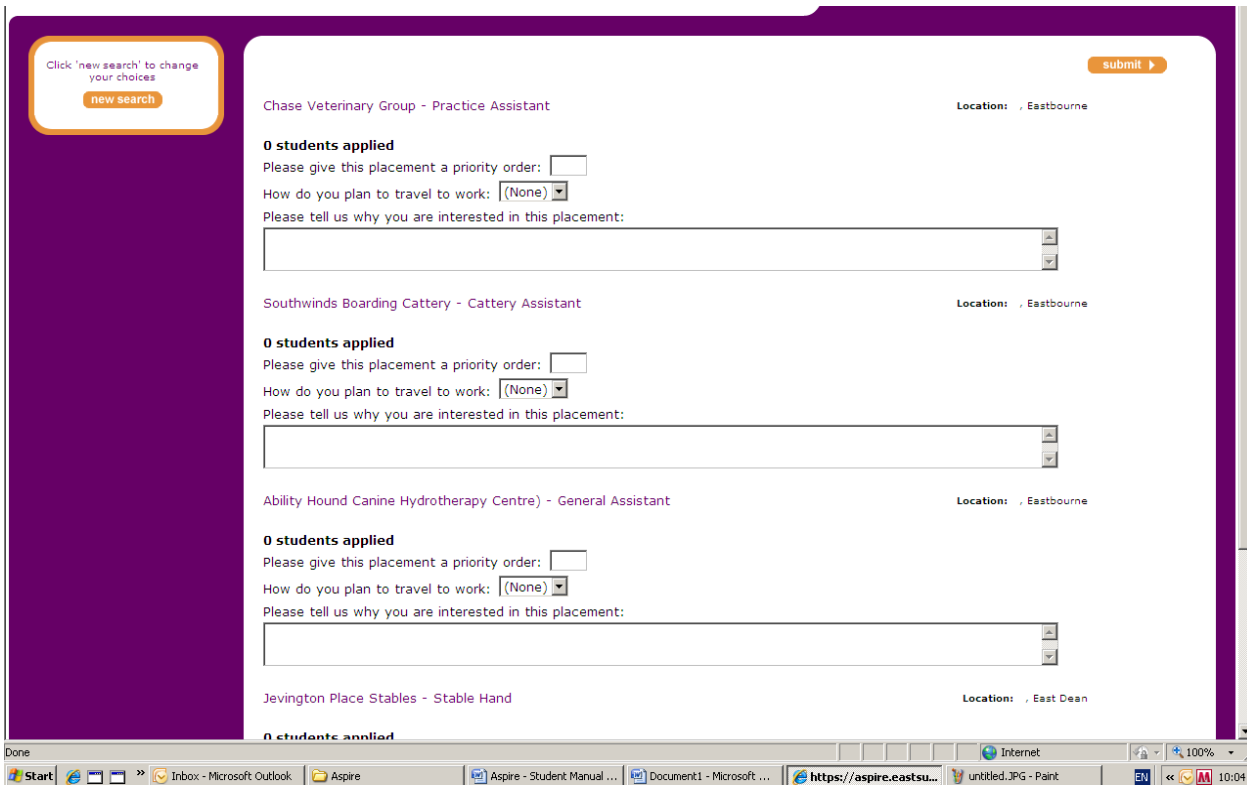

- **New Search** – this will take you back to the original search page so you can re-choose the type of work and geographical area.
- **Back** – this will take you back to 2.3 based upon your search options you have just chosen.
- **Add to list** – this will add this placement to your list of chosen placements in the top left box under your name.

- Repeat point 5 to either undertake a new search or click on back – follow this process through until the required number of placements has been made.
- Once your required number of placements has been chosen, click submit.

- You will then be taken on to the following screen. *This will depend on the system administration that has been set by the work experience co-ordinator within school.

9. Here you will have to complete the following information:

- Priority order of placement – which is your first choice, second choice etc
- How do you plan on getting to the placement
- Why you are interested in this placement?

Once you have done so click on submit.

10. Once you have clicked submit you will get the following screen to say your choices have been saved and they have been sent through to the work experience co-ordinator within school.

11. If you have an own placement click on 'back' if you do not click logout.

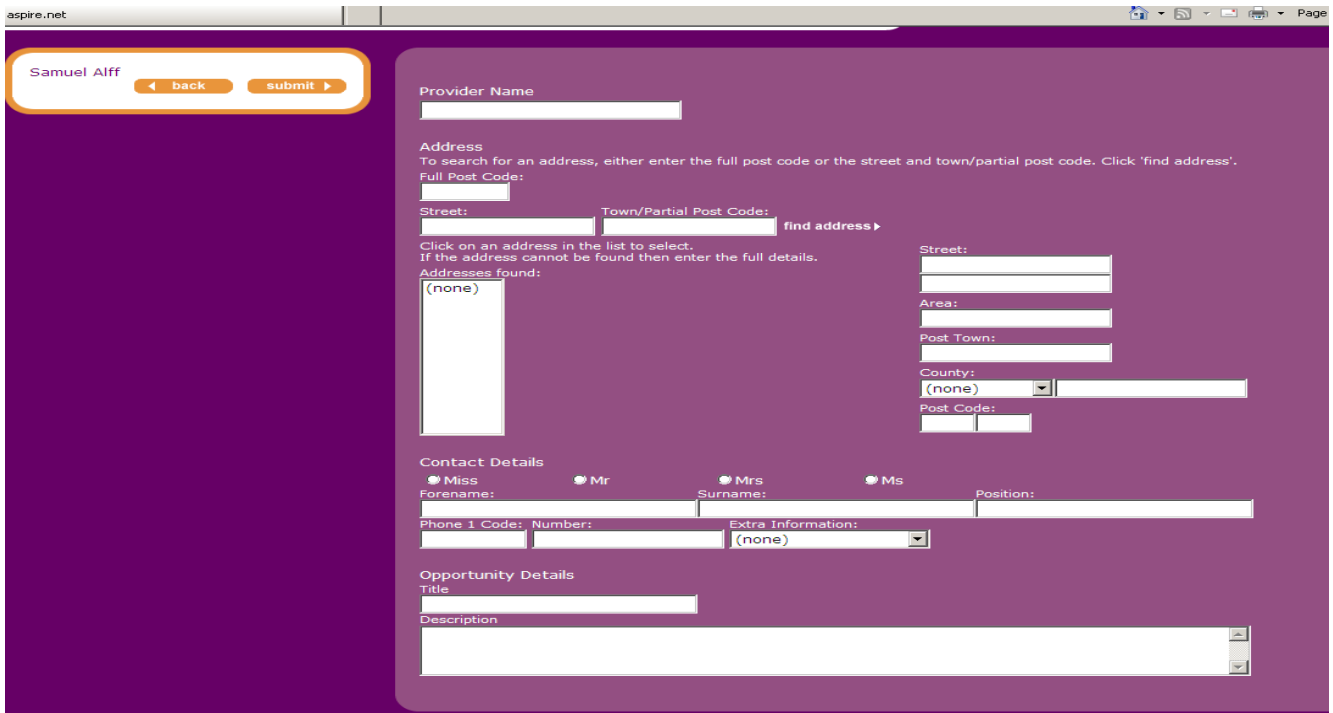

3. Own placements

An own placement is one that has been arranged by yourself with an employer that is not already on the system (usually this is through a connection with an employer such a family or friend).

1. Click on own placement.

2. This will take you to the following screen to complete the details of the placement.

3. Fill in all the details and then click on submit
