Exam Support and Information

RESULTS AND POST RESULTS INFORMATION

Students can collect their GCSE results between 10.00 am and 12.00 on **Thursday 20th August 2026**. If you would like the results to be collected by a nominated person, an email to exams@willingdonschool.org.uk from the student's own email address naming the person collecting, must be received in advance of results day. The nominated person must bring Photo ID.

Senior members of staff will be available during the morning for students to discuss their results. Exam staff will only be available until 15.00 on the Thursday and then when the school re-opens on Wednesday 2nd September with a staff INSET day.

Awarding Body Post-Result Services

The exam boards offer different post results services. This information is all on the school website under exams.

Before any post results services can be requested, all students must complete the **consent form** which can be found on the school website under the exams tab. This confirms full understanding and acceptance that with any clerical check, review of marking, or any subsequent appeal there is no grade protection, **grades may go down as well as up or stay the same**. It further confirms that Willingdon Community School has permission to access a copy of individual students' exam scripts on their behalf. Payment should be made by bank transfer to the school, and the fees are **per paper**, not per subject.
