COMMUNITY SCHOOL

Dear Parents,

We welcome parental feedback and the Ofsted Parentview survey is available for you to complete via the school website.

Parentview has the advantage of being entirely anonymous. However, it does not always allow you to add in any additional comments you might like to make. We are also keen to discuss feedback with parents so would be grateful if we did know who the comments were from.

I am therefore encouraging parents to fill in our own internal survey which will allow us to be aware of your views and work towards improving the school further. We are not able to add your views to the Ofsted Parentview site so you are welcome to complete both or just to add any comments on this survey as relevant to yourself and your child.

Please respond using the following:
