

JOB DESCRIPTION

| | |
|------------------------|--|
| JOB TITLE: | Leader of Learning |
| HOURS | 32.5 hours per week |
| RESPONSIBLE TO: | Associate Assistant Headteacher |

This job description should be read in conjunction with the terms and conditions of employment described in your East Sussex Contract of Employment, which includes reference to national legislation. In particular, the post's terms and conditions will be in accordance with the Education Acts in force as amended by subsequent enactment and to Conditions of Employment prescribed in the regulations made thereunder by the Secretary of State for Education and Employment, and the School Teachers' Pay and Conditions of Employment Act 1991 and the School Teachers' Pay and Conditions Document made thereunder.

Main purpose of the job – Leader of Learning:

- To lead the team in fulfilling the aims of the school through the teaching and learning undertaken within the department.
- To develop, with senior staff and the Director of Learning, the conditions necessary for staff to achieve the school aims and those of the department.
- To establish departmental aims and objectives which reflect those of the school
- To monitor and account for the achievement of those aims and objectives.

Accountable for:

- All staff who teach or provide support within the department.

Key Accountabilities:**1. The experiences offered to students within the department**

- Develop department policy on teaching and learning and to monitor its implementation and evaluate its effectiveness.
- Plan, implement and evaluate the syllabus and schemes of work within the department.
- Monitor student access to learning experiences.
- Observe classroom practice.
- Review student work and progress.

2 The achievement of students within the department

- Implement school policy on Assessment, Recording and Reporting information to students, parents and senior staff.
- Monitor and evaluate the implementation of the assessment, recording and reporting policy.
- Work with senior staff in setting achievement targets for students.

- 3 The management and leadership of all staff who teach or provide support within the department
 - Identify and agree staff development and training needs within the department.
 - Monitor teaching preparation, planning, teaching, setting of homework and marking within the department.
 - Lead planned and minuted department meetings.
 - Evaluate the implementation of whole school policies within the department.
 - Prepare and review annually the Department Development Plan.
 - Develop and lead the department as a coherent, well informed and involved team.

- 4 Communication between department and senior staff, other staff, policy groups, working parties, students and parents.
 - Provide information to the senior staff on departmental success, changes, proposals, concerns or areas for development.
 - Agree and monitor the representation of the department on working parties, committees etc. and the dissemination of information from and to such bodies.
 - Inform students, parents and staff of information relevant to their involvement with the department.
 - Provide information requested by senior staff or outside bodies such as the LEA or DfES.

- 5 The development of human, financial, material and physical resources
 - Agree and evaluate the deployment of staff within the department in relation to teaching and learning and delegated responsibilities.
 - Plan monitor and evaluate the allocation of financial and material resources.
 - Monitor, maintain and evaluate the department's physical environment.
 - Monitor and report on Health and Safety issues and concerns, informing members of the department of their Health & Safety responsibilities.

Main purpose of the job – Teacher:

- To be an effective professional who demonstrates thorough curriculum knowledge, can teach and assess effectively, take responsibility for professional development and has high achieving students.
- To support students in developing knowledge and skills, behaviours and attitudes which enable effective learning.
- Work towards building on the outstanding results achieved by the department.
- Carries out the professional duties of a teacher as circumstances may require and in accordance with the school's policies under the direction of the Head Teacher.

Key Responsibilities: these will include, but may not be limited to, the following:

Planning, Teaching and Class Management

- Understanding and applying effective classroom management with clear structure, maintaining pace, motivation and challenge.
- Understanding and applying a range of teaching strategies.
- Positively targeting and supporting individual learning needs and identifying SEN or very able pupils.
- Effectively using homework and other extra-curricular learning opportunities.

- Maintaining discipline in accordance with the school's procedures and encouraging good practice with regard to punctuality, behaviour, standards of work and homework.
- Demonstrating appropriate consistent progress.
- Building and managing effective working relationships with students and adults in the classroom.
- Ensuring students acquire and consolidate knowledge, skills and understanding appropriate to the subject taught.
- Evaluating own teaching critically to improve effectiveness.

Deliver lessons and use subject assessment effectively:

- Comply with practice as outlined in the school's teaching and learning and related policies.
- Exhibit commitment to safe working practices, and be aware of and responsive to health and safety requirements.
- Ensure theory and practice is integrated as appropriate.
- Assess learners' progress regularly both in the classroom and for homework and provide regular feedback.
- Use assessment tasks appropriate to the subject and maintain accurate records.
- Ensure assessment is consistent, fair, accurate and valid and comply with awarding body requirements.
- Commitment to the achievement of every single student is essential.
- Evaluate subject performance data for students' progress and set appropriate targets for improvement
- Use appropriate assessment to inform planning and teaching.

Pastoral Duties

- Willing to be a form tutor to an assigned group of students.
- Support the general progress and well-being of individual students and of the Form Tutor Group as a whole.
- Register students, accompany them to assemblies, encourage their full attendance at all lessons as well as full participation in other aspects of school life.
- Contribute to the preparation of Action Plans and progress files and other reports.
- Contact the Pastoral Deputy Head Teacher/Director of Student Progress as and when necessary to alert them should anything be deemed necessary regarding students welfare.
- Communicate, as appropriate, with parents of students and persons or bodies outside the school concerned with the welfare of individual students, after consultation with appropriate staff.
- Contribute to PSHCE and citizenship and enterprise according to the school policy.

Other Professional Requirements

- Establish effective working relationships and set a good example through presentation and personal and professional conduct.
- All school based staff have the responsibility for promoting the safeguarding and welfare of children. All school staff should be aware of the school's Child Protection and Safeguarding Policy and work in accordance with this document at all times.
- Have a working knowledge of teachers' professional duties and legal liabilities.
- Maintain an up to date knowledge of good practice in teaching techniques for the subject taught.
- Take account of wider curriculum developments.

- Incorporate national strategies in all teaching.
- Undertake professional development activities to enhance teaching and students learning. Apply and share outcomes and identify impact with colleagues.
- Contribute to the corporate life of the school through effective participation in meetings and management systems necessary to coordinate the management of the school.
- Liaise effectively with parents and governors.

Monitoring, Assessment, Recording, Reporting

- Assess how well learning objectives have been achieved and use them to improve specific aspects of teaching.
- Mark and monitor students' work and set targets for progress.
- Assess and record students' progress systematically and keep records to check work is understood and completed, monitor strengths and weaknesses, inform planning and recognise the level at which the pupil is achieving.
- Undertake assessment of students as requested by examination bodies, departmental and school procedures.
- Prepare and present informative reports to parents.

Subject Development

- Contribute to the whole school's planning activities.
- Contribute to the development of the subject area by developing and sharing teaching and learning resources and good practice.
- Regularly update Directors of Student Progress on issues relating to individual students, and work with other teachers to establish appropriate actions.
- Undertake any other job-related activities as requested appropriate to the grading of the post to meet the ever changing needs of the school.

Comply with School external policies, systems and processes:

- Be conversant with and carry out all duties in accordance with all relevant School policies and procedures, including health and safety policy and procedures as well as employment policies and procedures.
- Work to promote and apply the School's safeguarding policy and practices.
- Work to promote and apply the School's equality and diversity policy and practices.
- Work in the School when contractually required and comply with agreed timetable.
- Engage with Continuing Professional Development in line with the School and external requirements.
- Take part in marketing and liaison activities such as Open Evenings, Parents Evenings, Review days and events with partner schools.
- Fulfil expectations of appropriate professional conduct, appearance and behaviours.
- Maintain up to date and accurate registers.
- Provide written feedback on student progress at review periods.
- Meet stated deadlines for administrative tasks such as registers, census and exam entries.
- Engage in review of own practice via School appraisal system and participate in the School's quality review practices

This job description sets out the duties of the post at the time it was drawn up. Such duties may vary from time to time without changing the general character of the duties or the level of responsibility entailed. Such variations are a common occurrence and cannot of themselves justify the reconsideration of the grading of the post. The School reserves the right to change or up-date this job description and to change the normal place of work after consultation with the job holder.
