Dear Parent/Carer

YEAR 7 NATURAL HISTORY MUSEUM
Friday 9th November 8.00am – 18.00pm

We write to inform you about the Year 7 Geography field trip to London to complement their studies in Key Stage 3. We will be visiting the Natural History Museum; particularly to enjoy the volcanoes and earthquakes exhibition and to London's most famous attraction - the London Eye. The trip will be on Friday 9th November 8:00am – 18:00pm. The coaches will be leaving from school promptly at 8:15am, so punctuality is essential. We anticipate arriving back at school at approximately 6pm. If your son/daughter will be making their own way home, you will need to indicate this on the return slip below.

Students are expected to wear full school uniform on the trip. A packed lunch will be required for the day. If your son/daughter is entitled to free school meals please indicate this on the return slip and this can be collected before we depart.

The cost for the whole trip is £32.00, which covers all travel and venue costs. There are a limited number of 94 places available to the whole year group for this trip, to secure your child's place you will need to make a non-refundable payment via ParentPay. The coaches are always full so please return your reply slips and make your payment as early as possible, and by 12th October at the latest, to Miss Pennington to avoid disappointment for your son/daughter.

The trip will provide the students with an invaluable insight into the understanding of the world around them and give them the opportunity to see casts of the Pompeii victims among many other treats! We will use this unique opportunity to engage students in learning about urban environments and seeing London from its very best viewpoint at the top of the Eye. If you envisage any particular difficulties please contact Miss Pennington spennington@willingdonschool.org.uk

Poor behaviour/low attendance will not be tolerated at Willingdon Community School. Therefore, we reserve the right to cancel a student's participation in a trip if behaviour /attendance does not reach our expected high standards.

The school holds a current medical consent form on behalf of your child but if there have been any changes since September 2018, please would you indicate on the permission slip so that we can update our records accordingly.

Kind regards

Miss S Pennington –Teacher of Geography
