2018

Dear Parent/Carer

GCSE Food and Nutrition

As part of the students course requirements for catering students are required to carry out practical work.

In order to maximise everyone's budgets and enable all students to cook, we would like to provide the basic ingredients. Any additional non essential ingredients can be brought in, if necessary or required by individuals.

We will therefore be asking for a contribution towards the cost of these ingredients.

Students will be cooking a variety of dishes during the year.

The contribution for this will be £20.00 for each term. This contribution can be made using ParentPay or with cash.

I would also like to take the opportunity to extend my thanks for the support the department has had over the past year and look forward to creating wonderful dishes with the students in Y10.

Please complete and return the reply slip together with your contribution as soon as possible. If there are any genuine problems with the contribution please let me know.

Kind regards

Mrs A Borrell
Catering
