

WILLINGDON WEEKLY NEWS

★ 5th June 2017 | Yellow Week ★

Lunchtime Menu

For your information, the lunchtime menu for this week will be the **WEEK 2** menu. Tutors and students should look out for the new menu information for Term 5/6 shown in week 1/2/3 format, which will be available to view in a laminated format in your tutor room.

COMPLIMENTARY BREAKFAST ITEMS FOR OUR YEAR 11s

From the start of the main GCSE exam period, free breakfasts will be provided to our Year 11s (on selected menu items only). This option is available to help give our students the energy boost to get their best results, and will run from 15th May until the end of the GCSE season (on days where there are exams taking place).

This does not cover all breakfast menu options, some of which will still remain chargeable to students, but will cover the option of a cup of tea or orange juice, toast or cereal, and an item of fruit.

Good Luck to all our Year 11s!

Would students whose parents add monies to their accounts via ParentPay, please check their balances before start of the school day, we are getting far too many coming in whose parents have 'just' added credit but by the end of the day/week they still have not done it. We will no longer be allowing anyone to purchase food unless the money is on their accounts by the start of break.

This is really important for Year 11's, you need to think about eating something before your exams.

BOOK OF THE WEEK

There's a man in the trees, a man with no eyes, but still he watches,
that's the surprise. Stay away from the woods, it couldn't be clearer,
but the trees are creeping nearer and nearer ...
Beware the creeper man.

ESCAPE

You are invited to Escape. A youth drop-in exclusively for students of Willingdon School. Every Thursday straight after school in the canteen. Come and play on the Xbox, or board games, watch DVD'S, do your homework on beanbags and visit our toastie bar.

STUDENT AMBASSADORS WANTED

Willingdon International Student Ambassadors (WISA)

During the month of July we have international students from Italy and China coming to visit our school for 2 weeks.

We are looking for students in Years 7-9 to be Student Ambassadors who will look after our international guests.

Those selected will need to be able to show their guests around the school and take them with them to their lessons. This is an excellent opportunity to develop your leadership skills whilst also learning about another culture.

In return for this contribution to our school community and for representing our school you will receive a **£10 Amazon voucher**.

If you would like to be considered for this role please write a short paragraph outlining why you think you would make an excellent student ambassador for Willingdon Community School.

Please return your completed application with your name and tutor group in the title of the email by **Monday 12th June 3pm** to awalters@willingdonschool.org.uk
