STORYVILLE STRUTTERS DIXIE SEXTET

The Storyville Strutters Dixie Sextet have played for venues ranging from Buckingham Palace, The Savoy, The Gherkin Tower, Royal Ascot, The Chelsea Flower Show, Henley Regatta and Jazz festivals in France, Germany, Norway, Poland, Denmark, Switzerland - and now The Rotary Club of Eastbourne has invited them to play for you to raise money for a great project.

WILLINGDON COMMUNITY SCHOOL VISIT TO KABUBBA, UGANDA - SUMMER 2018

Willingdon Community School works with and through a Charity, the Quicken Trust, which has the strategy to transform this needy village. Providing education is a central part of the Charity and the students are rising to the challenge.

A party of 26 pupils and staff made a very successful visit to Uganda in 2016 to help construct teacher accommodation. Another working party is being planned for 2018 to further the project with a new group of students taking part.

The students and their families will provide half of the total costs and the remainder will come from grants and fund raising.

The Rotary Club of Eastbourne is very pleased to assist the project which is a great opportunity for pupils to develop their team working, leadership and communications skills.

The Club is making the School the principal beneficiary for their annual Jazz Concert in exchange for their support with the event.
