Dear Parent/Carer,

YEAR 9 GCSE STYLE FIELDWORK ASSESSMENT
Monday 8th October – 8.30am – 11.50am
9D1 and 9AS1

We write to inform you that your son/daughter will be participating in a field trip to fulfil the requirements of the compulsory fieldwork assessment that forms part of the Year 9 programme of study in Geography. The trip will be on **Monday 8th October 8.30 am – 11.50 am**. The resulting assessment is one of the key Year 9 assessments in Geography for the year and will provide your son/daughter with some of the skills needed for their future GCSE subjects.

The main title of the work is:

‘Should housing be developed on the land adjoining Filching Close?’

In order to obtain some of the necessary information to complete the assessment, we have organised a fieldtrip to a local section of the South Downs, going no further than Butts Brow. Students will be split into groups, and walk from school to the section of down-land that is the focus of this assessment. They will be accompanied at all times by members of the Geography staff.

Students should make their way to and from school as normal.

On the day of the fieldwork your son/daughter must come to school in their school uniform, however appropriate footwear and jackets will be needed in light of the changeable weather conditions on the day. Students will be fully briefed on what tasks need to be completed so that the data collected can be used back at school to complete an assessment.

This trip is a compulsory part of the Year 9 Geography course, and due to the low costs, there will be no charge.

Poor behaviour/low attendance will not be tolerated at Willingdon Community School. Therefore, we reserve the right to cancel a student’s participation in a trip if behaviour /attendance does not reach our expected high standards.

The school holds a current medical consent form on behalf of your child but if there have been any recent changes, please would you indicate on the permission slip so that we can update our records accordingly.

Would you kindly complete the permission slip below and return it to your son/daughter’s Geography teacher as soon as possible.

Yours sincerely,

Mrs L Collins - Head of Geography
