

Dear Parents/Carers,

Further to yesterday's letter, we are working hard at getting provision in place for Monday, 23rd March for children of key workers.

To plan effectively, we must have replies regarding your children by midday today. It is essential we meet this deadline so we can staff and ensure effective safeguarding and health and safety requirements are met. Please see below the link with the updated list of Keyworkers from gov.uk.

<https://www.gov.uk/government/publications/coronavirus-covid-19-maintaining-educational-provision/guidance-for-schools-colleges-and-local-authorities-on-maintaining-educational-provision>

I will be in touch later today in respect of arrangements for the days if your children are in school. I will also write more to give greater guidance to the parents who have children working from home.

Very Best Wishes,  
Ms Beer
