## COMMUNITY SCHOOL

Dear Parent / Carers,

We have listened to your feedback regarding publishing trips in advance so you are able to plan costs.

Below are the trips we intend to run this academic year. These will be kept updated on our website. Please do be aware that some trips may be added during the academic year, as opportunities become available. These are sometimes made available to us at short notice and in order that students have the best possible experiences we will run these.

### Activities Days

Although we do have residential trips in the last full week of term, this year we will only have one Activity Day. This will be on Monday 22<sup>nd</sup> July. The reason for the change to our normal Activities Week is due to the final week of term being only two days. As you will see, we have a full package of trips running throughout the year. We also have residential trips running in the week beforehand so many students will have the usual three days or longer.

The trips which will be offered on Activity Day will be published in term 3.

### Payment for Trips

We fully appreciate that sending your child on a trip can be costly. We therefore offer payment plans to spread this across the year. Should you wish to send your child on a trip but require financial support, as your child receives free school meals, please do get in touch with us.

Month	Trip
<b>November</b>
