Dear Parent/Carer

School Fund

At the beginning of a new academic year the Friends of Willingdon Community School would like to invite you to make a contribution to the Willingdon "School Fund".

This fund is outside the Budget that is received from County Hall and is directly controlled by the school. It is specifically used to finance all whole school student centred activities, to improve the school environment and to provide additional activities to supplement the curriculum. To demonstrate the benefits that the fund can make to the school, the fund has in recent years, helped in raising funds towards the cost of our new school minibus, enhanced the Year 7 "Our Space" outside environment, , as well as subsidising off site curricular activities and supporting other extended services that the school offers.

Specifically, school fund contributions are currently being targeted at providing rewards for student achievement, across all year groups, awards for which are held at the end of the Autumn, Spring and Summer.

In order to maximise any funds received this year the School has again joined up with the "Friends of Willingdon School" who as a Registered Charity (1154283) can claim a further 25% on the amount of funds raised for the School Fund, providing the relevant box below to allow gift aid to be reclaimed, is ticked by donors.

If you are able to contribute, the School suggest a contribution of £10 per family. Money should be paid directly to the school via ParentPay. If you still require a password/login for ParentPay please request this via school Reception or via agwilliam@willingdonschool.org.uk

Thank you in anticipation and for your continued support of the school and the Friends.
