

## Feedback from Year 11 Parents' Evening

We couldn't be happier with the school, our children are happy and are always learning. Staff always go the extra mile (and more) to ensure they have so much more than they need. Staff are dedicated and caring and show this towards us parents too- even when we are being fussy! Thank you so much for all you do.

\*\*\*

I have been exceptionally impressed with communication from the school during this Covid pandemic, I can only imagine the pressure you are all under but you have been quite amazing with your zoning of year groups, to implementing online learning from scratch. Well done you have done a fantastic job.

Thank you to all the staff for giving up their time this evening. It was extremely useful to discuss W's progress towards his GCSE's. The support given has been valued by us and W and the staff's continued positivity during this ever changing time has been greatly received and appreciated. Keep doing the great job that you do!

\*\*\*

We couldn't be more happy with Willingdon, our son thrives at school. E is happy and confident attending school, the teachers are all amazing, not only now through these challenging times but since he started in year 7. E has grown in confidence and achieved and excelled in both ours and his own expectations. The communication between teachers, senior leadership team, Ms Beer and us as parents is exceptional. The school has gone above and beyond during home online learning and whatever the outcome we are confident that E will achieve and continue to grow as he takes on the next step moving onto college. We would like to thank everyone at Willingdon for their continued support, you are all amazing !

\*\*\*

I am really impressed with your response to the latest lockdown. Once again staff have been brilliant and communication is excellent. I do feel the expectation of 6 lessons a day has been tough for year 11s this week and am reassured to hear this is to be reduced next week. Thank you all for your continued support during this very difficult time. Stay safe.

\*\*\*

Very impressed with how the school is dealing with Covid and keeping us informed of all that is going on. So thank you to all staff & Mrs Beer.

\*\*\*

We've found all the online meetings during the pandemic very informative. Tonight's zoom parents evening was excellent and a step forward that could be used for future times. We're grateful for the school hard work during these challenging times and understand all the work done that is done in the background.

\*\*\*

I have nothing to say re improvement of the school as I think it's fantastic already. All the members of staff that teach D are excellent. Including Ms Arnold who has also been amazing. Thank you.

\*\*\*

Ms Johnson, Ms Curryer,, Ms Arnold, and Miss Elliot are a credit to Willingdon. They have tirelessly provided support and guidance for M. Thank you

\*\*\*

Parents evening was fantastic. Really positive and encouraging. Lovely to be able to talk to the teachers albeit online. They clearly care about my daughter and her education as well as her mental health. Always very supportive, open and transparent conversations. Thank you.

\*\*\*

Thank you for the regular updates and contact through Covid. Exemplary.

\*\*\*

I really liked parents evening on zoom. It was much less stressful! I hope it can always be done this way!

\*\*\*

The school has been fantastic in dealing with all the changes thrust upon them as a result of Covid, often at very short notice. You have 'put your arms' around your school community. Our family is very grateful, Thank You.

\*\*\*

No improvements needed you've been amazing

\*\*\*

The school has been brilliant for M very supportive and encouraging, and we will be very sad when he moves on to college this year.

\*\*\*

Thank you for all your support, it's really appreciated.

\*\*\*

I think the school has been absolutely brilliant during this pandemic and before, you have gone the extra mile and get the message across to the children that you are there for them in more ways than just education. You turn around quick remote lessons and timetables under extreme and ever changing circumstances and pressure. Thank you and well done

\*\*\*

Thank you to all the staff for doing an amazing job in such difficult circumstances. Keep going!

\*\*\*

Fantastic school, so much support for my son in what has been a horrific year for all especially education. Thank you to all.

\*\*\*

Keep doing what you are doing because you're doing great .

\*\*\*

Definitely been the best school in the area throughout lockdown supporting our children and the families. The amount of contact whether that has been via email, videos or phone has been so appreciated. Never stopped trying to teach at the highest standard regardless of obstacles they've been faced with, we truly cannot thank you enough, especially in relation to year 11.

\*\*\*

No need we were extremely impressed with parents evening via zoom and we think that Willingdon and its staff have been exceptional through this pandemic the support has been fantastic and excellent confidence building for my year 11 who without the pandemic would be having a stressful year anyway but with the pandemic on top you still manage to support, teach, motivate and care about your students and put them first We have not had any issues or concerns to worry about and we thank you for that and for taking care of our child in these unprecedented times
