Dear Parent/Carer

MORFA BAY 2019 – Year 7-10 Enrichment Activity Week

The Morfa Bay trip takes place during Curriculum Enrichment days between Friday 19th and Tuesday 23rd July. The camp takes place at Morfa Bay Outdoor Adventure Centre, in Pendine Sands, South West Wales. In order to maximise what activities the students can experience for the cost, staff have offered to leave early on **Friday (19th)** and return on **Tuesday (23rd)** (times to be confirmed). Activities include Coasteering near St David's/Tenby, rock climbing, sea activities (paddle boarding, surf skinning, surfing or sea kayaking), assault courses, zip wires, caving and mountain biking. We have used Morfa Bay in the past and they offer an excellent provision of activities with highly qualified instructors.

The cost of this trip (which can be made in instalments) is £340. This includes daily activities, all tuition, full board accommodation (in bunk houses), insurance, travel and wetsuit/equipment hire. It also includes transport to the offsite activities. I would be grateful if you could return the reply slip attached, indicating whether your child would like to reserve a place on this fantastic activity camp. **A NON REFUNDABLE DEPOSIT of £100** will secure this place. **Please pay by CASH or ParentPay, we cannot accept any cheques.** Due to the popularity of this trip, it will be offered, as in previous years, on a first come first served basis. Where numbers permit, the upper and lower year groups are kept separate for travelling, sleeping and activity groups. The activities also vary depending on the ability and age of the students. We do endeavour to take every child wishing to attend this trip. Where numbers do not afford 2 coaches, the first 45 students that have committed will be guaranteed a place. We will then explore the options of a second coach or additional minibuses.

On receipt of the deposit, students will be issued a payment card as a form of receipt. This must be kept safe and used for further payments. Final payment will be expected by May 2019.

Please feel free to email (morfabay@willingdonschool.org.uk) to discuss this further or visit www.morfabay.com to check the site out.

Yours faithfully,

Mr Tom Cain
Director of Student Progress for Year 7
