

WILLINGDON WEEKLY NEWS

★ 22nd May 2017 | Blue Week ★

Lunchtime Menu

For your information, the lunchtime menu for this week will be the **WEEK 3** menu. Tutors and students should look out for the new menu information for Term 5/6 shown in week 1/2/3 format, which will be available to view in a laminated format in your tutor room.

Would students whose parents add monies to their accounts via ParentPay, please check their balances before start of the school day, we are getting far too many coming in whose parents have 'just' added credit but by the end of the day/week they still have not done it. We will no longer be allowing anyone to purchase food unless the money is on their accounts by the start of break.

This is really important for Year 11's, you need to think about eating something before your exams.

COMPLIMENTARY BREAKFAST ITEMS FOR OUR YEAR 11S

From the start of the main GCSE exam period, free breakfasts will be provided to our Year 11s (on selected menu items only). This option is available to help give our students the energy boost to get their best results, and will run from 15th May until the end of the GCSE season (on days where there are exams taking place).

This does not cover all breakfast menu options, some of which will still remain chargeable to students, but will cover the option of a cup of tea or orange juice, toast or cereal, and an item of fruit.

Good Luck to all our Year 11s!
