

EBE/srg

4th November 2020

Dear Parents/Carers,

I wanted to update you on my personal situation. I am pleased to announce that I am pregnant and am so glad to have such positive news in 2020 when we've all faced such difficulties as a nation. The baby is due around the middle of May 2021.

We do have a plan for the short maternity I intend to take (I plan to be back in July 2021, all being well) and once we have Governor approval, I will share this with parents and students. Meanwhile, as always, I remain entirely committed to helping lead such a fantastic school and helping all of your children achieve their very best.

Once again, I have been so impressed with how your children have returned to school in Term 2. Our attendance is very high and students are achieving thousands of reward points each day, outweighing a small number of behaviour points. We will be running some more Parent Forums this term and we will shortly share our programme of these events which you can book onto.

Thanks again for your anticipated support.

Best wishes,

Ms Beer
